

By saving food from the bin we could save this much money every year from our homes in Scotland.

£437

We throw away this many tonnes of food from our homes every year.

600,000

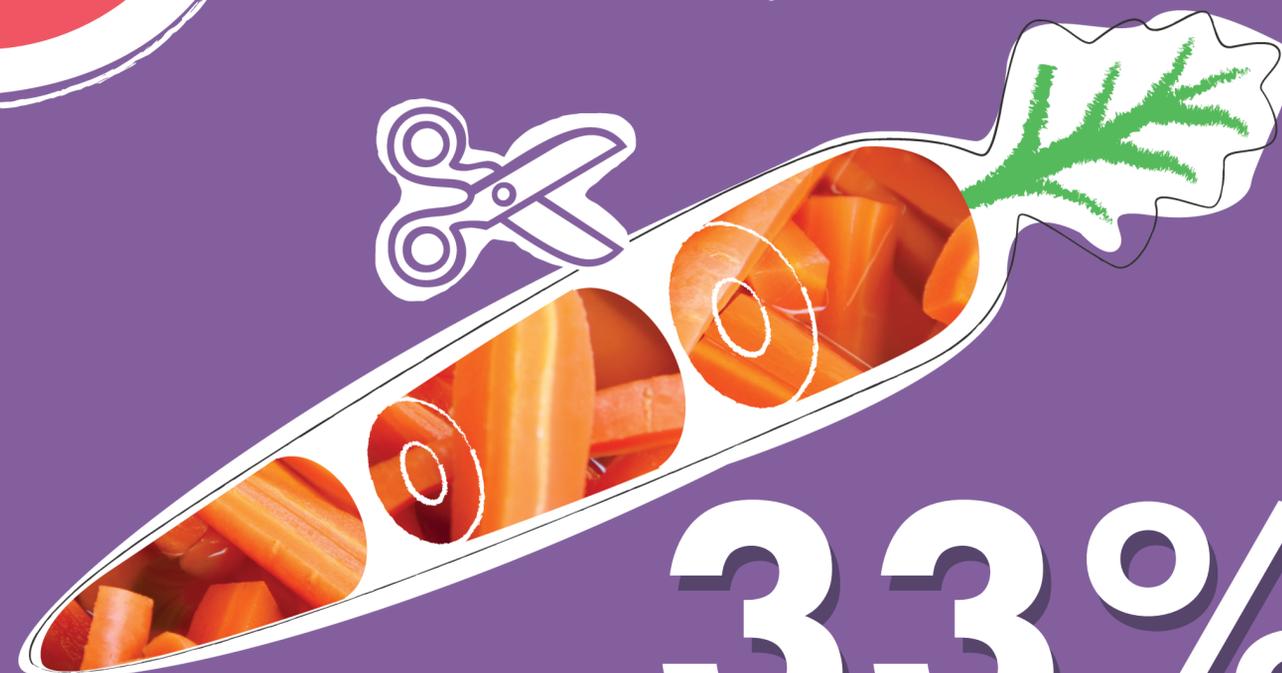

**LOVE
FOOD
hate waste**

By saving food from the bin it could have the same effect for the planet as taking this many cars off the road.

1 in 4

By 2025 Scotland is aiming to cut the food we throw in the bin by

33%
